We understand your fears and have several ways to help you overcome them. Our doctors are state and board certified to perform oral sedation and nitrous (laughing gas) in our office. We can make your hygiene visits pain free by using a numbing gel at the gumline. For your entertainment, we have movies in the treatment room to keep you smiling. You can pick a movie or bring your favorite DVD, CD or video.

Our office is located on the corner of Mac Arthur Boulevard and Ridge Road in Mac Arthur-Ridge shopping plaza. Mac Arthur Boulevard is easily accessible by Island Road Exit off of Route 17.
